

Declaration of Non-use Conflict Minerals

Hunston guarantees that all of the materials and parts comply with ours “Non-Conflict Minerals Policy” which prohibits to purchase the mines from Congo (DRC) or neighboring countries, that the metal derived from the conflict regions are prohibited in the product also.

As a corporate citizen responsible for protecting human rights, ethical business practices and ameliorating armed conflicts in DRC and neighboring nations, Hunston committed to demand our suppliers to never use conflict metals from the conflict areas, including but not limited to, tantalum (Ta), tin (Sn), tungsten (W), and gold (Au).

Hunston hereby makes our commitment: Hunston never purchase any conflict minerals come from any conflict regions.
